

SENSORY GUIDE

A resource for guests with cognitive disabilities
including Autism Spectrum Disorder (ASD)

OVERVIEW

OVERVIEW

At Splish Splash, our mission is to provide the finest in family fun and entertainment to ALL of our Guests.

CERTIFIED STAFF

Splish Splash Team Members receive specialized training to ensure they have the required knowledge, skills, temperament, and expertise to cater to all children, including those with special needs. Training focuses include:

- Sensory Awareness
- Motor Skills
- Autism Overview
- Program Development
- Social Skills
- Communication
- Environment
- Emotional Awareness

SENSORY GUIDE™

The Sensory Guide provides insight on how a child with sensory processing issues may be affected by each sense for rides and attractions at Splish Splash.

COVID-19

The COVID-19 pandemic has significantly altered many aspects of daily life, and that includes key parts of visiting Splish Splash. The health and safety of our Guests and Team Members is always our top priority, and in response we have implemented a number of new measures following recommended best practices from the Centers for Disease Control and Prevention and New York Department of Health. We have also consulted in great detail with industry colleagues through the International Association of Amusement Parks and Attractions (IAAPA) in developing our new policies to best protect our Guests and Team Members from COVID-19.

Those unable or unwilling to visit due to the facial covering requirement should CONTACT US to plan towards a visit when this temporary restriction has been lifted.

To learn more, please consult the Amenities section of this guide, or visit www.SplishSplash.com/health-and-safety

AMENITIES

AMENITIES

AMERICAN SIGN LANGUAGE INTERPRETERS

In compliance with the Americans with Disabilities Act (ADA), Splish Splash will provide ASL interpreters for deaf patrons. Those in need of an interpreter are requested to give Splish Splash at least two weeks' notice in advance of a planned visit to the park.

CELL PHONE CHARGING STATION

Outlets are located in Guest Services.

CHANGING STATIONS

Diaper changing stations for small children are located in all restrooms. First Aid also has a restroom available for family changing and additional needs.

COVID-19

In response to the COVID-19 pandemic, we have implemented a number of new health and safety measures to help protect all those visiting and working at Splish Splash. These include:

- Face Coverings and Personal Protective Equipment
- Social Distancing
- Providing sanitizer stations throughout the park
- Enhancing Cleaning Measures
- Educating Guests & Team Members

To best ensure social distancing as recommended by the Centers for Disease Control and Prevention and New York State Guidelines, all Team Members and all Guests age three and older will be required to wear a face covering if they are not fully vaccinated (*Guests are considered fully vaccinated two weeks after their 2nd dose in a 2-dose vaccine series or

OVERVIEW

AMENITIES

ATTRACTIONS

DINE

two weeks after a single-dose vaccine.). We're sorry, we are not able to provide an exception for those with a medical condition, as the facial covering requirement is not only for the safety of the wearer, but of other guests and our Team Members. Those unable or unwilling to visit due to the facial covering requirement should **CONTACT US** at <https://www.splishsplash.com/hours-and-directions/contact-us> to plan towards a visit when this temporary restriction has been lifted.

Detailed explanations of all these measures can be found at www.SplishSplash.com/health-and-safety

DINING

Guests needing a less stimulating dining atmosphere are encouraged to visit Splish Splash eateries during non-traditional mealtimes.

EMERGENCY PLAN

Discuss ahead of time what to do if someone gets separated from your group. Guest Services, located near the entrance to Splish Splash, or the entrance to Kiddie Cove are great meeting places. Take note as to what your children are wearing in case you need to describe them to a Splish Splash Team Member. Lost children should be told to ask for assistance from a Splish Splash Uniformed Employee. When our Team Members find a lost child, that child is taken to Guest Services.

FIRST AID

In case a need for medical help arises, the Splish Splash First Aid Station is located on the restaurant deck near Pinks.

FOOD ALLERGIES

We care deeply about our Guests' enjoyment and health. However, we cannot guarantee that our food items are free of allergens such as trace amounts of nuts, wheat, dairy, egg, soy, fish/shellfish or sesame seeds. Splish Splash does not use peanut oil for the cooking/frying of any food products. We do use peanuts for toppings for ice cream in Funky Pirate and Plaza Ice Cream. Please visit the Guest Services and request to speak with a Food & Beverage Manager during your visit with questions or concerns.

INFANT CARE

First Aid provides a quiet area to feed and nurse young children. Diaper changing stations for small children are located in all restrooms. Children age 2 and under get into Splish Splash free of charge and do not need a ticket or a Season Pass.

SPLISH SPLASH CABANAS

Cabanas allow a private, less stimulating environment for guests who wish to escape from the bustle of the park. They may be rented online or at the Cabana Stand at the front gate of Splish Splash. Cabanas are conveniently located throughout the park and some offer food service. Cabanas are available in various sizes to accommodate your family's needs.

LOST AND FOUND

If you have lost a personal item during your visit, please visit Guest Services located in the Main Plaza next to the H2Go Rentals to report the issue. The Lost and Found opens at 9:30 am when the Gates open, and can be reached at (631) 727-3600 ext. 349. NOTE: If your item is lost during the operation of a ride, the ride will not be shut down during operating hours for item retrieval. You must report the issue to Guest Services and call to check the status of your item the next day.

NOISE-CANCELLING HEADPHONES

Splish Splash is happy to offer noise-cancelling headphones to our guests with autism. A limited number of headphones are available on a first come, first served basis, and can be picked up at Guest Services. These headphones MUST be returned at the end of your visit.

PARKING

Splish Splash has both paid preferred and general parking. Accessible parking is also available with approved placard.

QUIET AREAS

Guests in need of a quiet place are encouraged to visit First Aid. Our picnic pavilions (The Grove) can also be quieter locations on certain dates (primarily weekdays). Please check with any Guest Services staff to inquire on open pavilions on the day of your visit. Our re-entry policy also allows for guests to take a break from the activity and return at their leisure.

RIDE ACCESSIBILITY PROGRAM

Splish Splash provides an informational guide for Guests with disabilities. The guide is also available at Guest Services located at the entrance to Splish Splash. This guide offers information to help those with disabilities make the most of their visit to Splish Splash by rating each ride's intensity. If you have any questions, please stop at Guest Services.

WHEELCHAIRS, WAGONS, AND STROLLERS

A limited number of wheelchairs and strollers are available on a first come, first served basis, and can be rented at Guest Services.

ATTRACTIONS

POSSIBLE CLOSURES

Some attractions, rides, amenities and dining outlets may not be available on any given day for a variety of reasons, such as maintenance procedures or updates to COVID-19 safety protocols. Closures may be for part of a day, for an entire day or for multiple days depending on the situation. We apologize if anything is not available during your visit and appreciate your understanding.

DINE

Splish Splash isn't just about riding; for many, it's also all about eating! While sweet treats and "cheat meals" make up the park menu for many, we also strive to offer options for those with dietary restrictions and looking for a healthier (but still tasty) dining experience at Splish Splash.

POSSIBLE CLOSURES

Some attractions, rides, amenities and dining outlets may not be available on any given day for a variety of reasons, such as maintenance procedures or updates to COVID-19 safety protocols. Closures may be for part of a day, for an entire day or for multiple days depending on the situation. We apologize if anything is not available during your visit and appreciate your understanding.
