

Hyperlight Waterslide to Debut at Splish Splash This Season

New York's Largest Water Park® recharges a classic, adding lights, sound and more thrills

CALVERTON, NY March 22, 2022 – Splish Splash Water Park is recharged, reignited and ready for a thrilling summer 2022 season as the park introduces guests to its all new ride experience: **Hyperlight**! Slated to open this summer, **Hyperlight** will send riders on an electric journey.

Hyperlight recharges the park's *Abyss* ride, creating a unique thriller where riders may choose between two different slides, each offering up to four different light and sound experiences. Once they select their slide, guests will board their tubes and dash through a vivid light and sound experience. Fitted with iSlide technology, the dueling slides invite up to two riders at a time and are each equipped with over thirty color changing lights and a multitude of speakers that will make thrill seekers feel like they have been transported to another dimension.

"We are gearing up for a huge 2022 season, with more events, more operating days and the addition of **Hyperlight**," says General Manager Mike Bengtson. "We have transformed a Splish Splash classic into an all-new sensory experience. **Hyperlight** is an attraction like nothing else at the park, guests will experience lights, sounds and thrills as they race all the way down."

Splish Splash Water Park will open for the summer 2022 season on Saturday, May 28 for Memorial Day weekend. With more days, more time to play and the introduction of **Hyperlight**, 2022 will be one of the biggest, most thrilling summers in Splish Splash history. Guests that don't want to miss a beat can grab a Sliver Season Pass for the price of Bronze, a \$20 savings off standard prices. The **Hyperlight**-inspired sale runs online now through Sunday, March 27.

For more information on the 2022 season, to purchase season passes and more, head to [SplishSplash.com](https://www.splishsplash.com).
