

ABOUT THE PARK

Splish Splash, offers Long Island guests 96 acres of slides, attractions and fun. Guests can enjoy more than 20 water slides, two wave pools, a large Kiddie Area, lazy river, and many different food and merchandise locations. Splish Splash offers unique thrilling attractions and high-speed slides like Bombs Away, Riptide Racer, and Bootlegger's Run, the first water coaster in New York full of breathtaking drops, including one from nearly five stories high. From the devoted thrill seeker, to the laid back sunbather, to the tiniest of tots, there are plenty of ways to soak up the summer sun at Splish Splash!

HISTORY

A Little Splash of History...Once a vast farmland on the east end of Long Island, Splish Splash is now the largest waterpark in the Tri-State area, spanning over 90 acres. Splish Splash opened in May 1991 and guests were immediately delighted at the beautiful 32 acre water park which contained 2 tube slides, 3 body slides, a family raft ride, 2 speed slides, a 1,300 foot "lazy river", 2 kiddie pools and a restaurant. Besides the thrilling rides, the magical atmosphere of the park fascinated visitors.

ATTRACTIONS

Home to over 30 attractions, including New York's first hydromagnetic water coaster, a Kiddie area, and a new sensory experience!

RIPTIDE RACER

Riders prepare to race for the title of "Ultimate Riptide Racer" then head first on mats, guests are drenched as they charge down the enclosed flumes in a wetter-then-wet mad chase for the finish line!

BOOTLEGGER'S RUN

Bootlegger's Run takes four-person rafts uphill, just like a theme park coaster, for a series of breathtaking drops, including one from nearly five stories high - it was the first of it's kind in the state of New York!

ALIEN INVASION

Opened in 2006, our second most popular attraction Alien Invasion debuted. A ride that will send chills through your bones as you enter the 40 foot funnel!

HYPERLIGHT

Opening in 2022, Hyperlight, is a new light and sound waterslide experience. Hyperlight sends thrill-seekers flying down and around to the pulse of vivid light and dynamic sound.
