

High-Powered *Hyperlight* Slide to Shine at Splish Splash this Summer

Stunning new slide experience coming to New York's Largest Water Park, Opening Memorial Day Weekend

CALVERTON, NY [May 18, 2022] – New sights, sounds and smells will take center stage at Splish Splash this season when the park opens in just ten days.

New York's Largest Water Park received many makeovers in key areas this offseason, beginning with an all-new waterslide experience, ***Hyperlight***, debuting as part of Splish Splash's Opening Day on Saturday, May 28.

Hyperlight is an all-new waterslide experience that sends guests on an electric journey through vivid lights and sounds. The reimagined, dueling tube slides are fitted with 60 color-changing lights and eight speakers for an immersive experience unlike anything ever seen on Long Island before. Splish Splash Season Passholders get first ride privileges during an exclusive season-opening event at 9:00 a.m. on May 28, one hour before Splish Splash opens to the public.
