

Summer Fun is Back! Live Performance by Local Winner of ‘The Voice’ Headlines Start of Splish Splash’s 30th Season

New York’s Largest Water Park® will welcome first guests since 2019 beginning Saturday, May 29

CALVERTON, NY (May 24, 2021)– A hometown hero will help Long Island’s **Splish Splash Waterpark** mark its milestone 30th season when it reopens May 29 after a 634-day closure.

Carter Rubin, the Season 19 winner of ‘The Voice’ and a native of nearby Shoreham, will help Splish Splash celebrate its rescheduled 30th year with a live performance as the park opens to the public on May 29. He will join the Port Jefferson School of Rock as they perform a series of Opening Day sets beginning at 10 a.m. when Splish Splash opens its gates for the season. Carter is expected to take the stage overlooking the Boardwalk and Lazy River at approximately 11:30.

“We can’t wait to have Carter make a splash at Splish Splash as we begin our 30th season of fun,” says General Manager Mike Bengtson. “It’s been a long wait to get back open, and we’re ready to have a great summer.”

Splish Splash will continue its strong commitment to the health and safety of Guests and Team Members as it welcomes its first visitors since the start of the COVID-19 pandemic. In keeping with the latest guidance from the Centers for Disease Control and Prevention and New York Department of Health, fully vaccinated Guests and Team Members will not have to wear facial coverings or practice social distancing at Splish Splash. Those not fully vaccinated will be required to wear facial coverings and practice social distancing, though facial coverings cannot be worn while swimming and on water attractions in line with water safety best practices. Visitors will also notice limited capacity, pre-entry temperature checks, sanitizing stations and enhanced cleaning procedures. All single-day ticket holders will need to [RSVP online](#) for the day they wish to visit. As an added perk, Season Passholders do not need to make a reservation. The park will only sell tickets and Season Passes online. Walk-up sales will not be available this summer.

“We have been working hard to develop enhanced protocols and specialized team training, following all federal and state guidelines, to ensure the safest environment possible for our guests and staff,” said Bengtson.

With a 2021 Season Pass, Guests can enjoy a whole summer at Splish Splash. Guests can choose from a variety of pass options from Basic to Premium to visit Splish Splash all summer long or purchase the Platinum Season Pass and receive regular admission at all Palace Entertainment Parks in the U.S. We also are excited to announce that as part of our 30th anniversary celebration we are offering an online ticket promotion from May 21-31. Guests can enjoy a significant savings by purchasing a general admission ticket for \$30, with those tickets valid any weekend through June 13.
